

MOORE FROM THE HILL

State Representative Gary W. Moore ** 35 Legislative Plaza ** Nashville, TN 37243
615-741-4317** rep.gary.moore@capitol.tn.gov ** www.moorefortn.net

As mentioned in the last weekly update, we are out of session and I will begin sending monthly updates called "Moore From the Hill". Since I have received several good pieces of information this week for flood victims, I wanted to send it to you in this first 2010 edition of "Moore From the Hill".

For information from the Department of Revenue on the sales tax refund for replacement items for those items destroyed in the flood, go to:

<http://www.state.tn.us/revenue/notices/sales/sales10-01.pdf>

For the application for sales tax refund, go to:

http://www.state.tn.us/revenue/forms/sales/f1406401_fill_in.pdf

For Metro's page on the home buyout program, go to:

<http://www.nashville.gov/water/buyout/index.asp>

For the latest page from FEMA go to: <http://www.nashvillerecovery.com/>.

For a list of the initial properties offered the buy out, see the last 6 pages of this document.

Also, the Mayor's office has announced four upcoming regional meetings to be held regarding the hazard mitigation buyouts; and Mayor Dean's office provided the following information regarding these meetings.

Letters will be mailed to eligible homes that may be bought in phase one of the program. The mailed letters are intended to gauge interest in the program and will contain information on the meetings below. These letters are not intended to be final offers on the property; the letters begin the process for acquisition, if the owner chooses.

Several Metro Departments (Water, Codes, etc.), members of the Flood Recovery Team and other organizations (SBA, Catholic charities, etc.) will be attending these meetings. Basically, the same meeting will be held at each location so people should go to the meeting most convenient to them.

One final note on the hazard mitigation buyouts, satellite cities are not included in the letters going out today or in the program, at this time. Each satellite city is responsible for its own FEMA application and buyout program.

The 4th of July is just a little over a week away. I hope you have a happy and safe holiday. Please take every precaution with your fireworks! <http://www.fireworksafety.com/>

As always, please let me know if I may assist you in any way.

A handwritten signature in cursive that reads "Gary".
