This week House Democrats announced the release of their 2009 House Democratic Caucus Agenda. This year's Democratic Agenda focuses on a number of areas, including improving educational opportunities for young Tennesseans, increasing the number of new jobs created in Tennessee and continuing to reduce crime. The highlights of the Democratic Agenda are as follow:

- 1) Providing Quality Education for All
- 2) Increasing Jobs & Economic Opportunities
- 3) Promoting Fiscal Responsibility
- 4) Providing Affordable Healthcare
- 5) Protecting Children, Senior Citizens, and the Disabled
- 6) Promoting Equality and Diversity
- 7) Improving Safety and Reducing Crime
- 8) Investing in Energy Efficiency and Protecting the Environment

We are off to a good start. Committees are running well under diversified leadership. I am hopeful that all House members will work together to make these goals and others a reality.
